

PRAYER SERVICE

INTRODUCTION

We come together on this feast to pray for trust in the presence of the image of the Immaculate Heart of Mary of Trust. It is confidence in Mary's motherly love, and God's promise to be with us always, that give us a great sense of peace. She will always be with us. We are never alone.

OPENING SONG

THEME

Our theme for today is two-fold: Risk that requires Trust and Trust that requires Risk. Mary is our model of trust because she knew how to Risk. We turn to her and ask her to whisper that sacred word in our hearts – Trust. Repeat it often, Mary, until we all become saints!

REFLECTIONS ON THE IMAGE

After the leader has given some reflections on the image and given a short quiet time has been allowed the people for their own reflections, the leader asks them to take pencil and paper provided and write down a fear or wish that they desire to entrust to Our Mother of Trust and place it in the basket provided. A song may be played while people are writing.
